

Attention ATM/Debit/Credit Card Holders!

Please safeguard your plastic card like it is cash! If your card is lost or stolen, please call one of the following numbers IMMEDIATELY:

MasterMoney Debit Card: 800-754-4128

Visa Credit Card: 800-808-7230

Thieves will attempt to use your card immediately upon receipt, so it is extremely important to keep track of your card(s) at all times. There has been an increase in thefts of these items, so please keep the following in mind:

- Do not write your PIN number anywhere in your purse or wallet.
- Do not leave your purse or wallet in your car, thieves are targeting women who leave purses in their cars at the gym or tanning salon.
- Do not keep your social security card in your purse or wallet.
- Make copies of all identification you carry with you and keep it in a safe place.
- BE AWARE of your surroundings in parking lots and report anything suspicious to police.

No more coin rolls are needed here! No matter how large or how small of an amount, our coin machine will handle whatever you have to bring. The charge for using the machine is only 5% of the total amount. That means the charge for \$50.00 of coin would only be \$2.50!
